P-Series IP Phones

Sangoma's 3rd Generation of Feature-Rich Desk Phones

| Datasheet

Sangoma's line of P-Series phones is designed to deliver the features you need, at price points perfect for every type of user, and every type of business. All models: have color screens, have high definition voice, are headset-ready, provide plug-and-play deployment, and have built-in productivity applications including call log, contacts, user presence/status, parking and more. The P-Series phones are the only desk phones designed to be fully compatible across Sangoma's communications portfolio, further enhancing their value.*
